

CELVIANO Grand Hybrid

DEVELOPED IN
COLLABORATION WITH

C. BECHSTEIN

PURCHASE A
GP-310BK
FOR **£999** EX VAT
(RRP: £2,735)

FIVE GOOD REASONS TO PLACE A CASIO GRAND HYBRID PIANO IN YOUR LOCAL LIBRARY

Support those on low incomes that can't afford a high quality piano

Inspire a new audience within your local community

Give students the very best opportunity to progress

Increase access to piano playing for all ages

Play in silence using headphones or out loud for choirs and group music making

With Casio's support of this campaign, you can purchase the **GP-310BK Grand Hybrid Piano** for just **£999** ex VAT (RRP £2,735). Featuring a wooden key hammer action that's been developed in collaboration with C. Bechstein, the Grand Hybrid digital piano is rapidly becoming the favourite choice for Music Hubs.

This superb piano delivers incredible authenticity and requires no maintenance.

Please **don't miss out** as stocks are limited!

There's never been a better time to support and encourage music making in your local community.

"Make Music Day was a big success and everyone really enjoyed the piano music being played in the library! The piano is such a great addition to our service".
